

Sangini Seva Sanghatan of Jabalpur

webinar on "women mental health awareness"

Mental health is the key to a meaningful life, a woman is the center of the family, the whole family is dependent on her, so the need and care of her mental health is very important, and we understand this need well, Therefore, on 06/10/20 Sangini Seva Sanghatan club of Jabalpur are organizing a webinar on "Women Mental Health awareness".

With Mrs. Payal Chourasia, a senior and eminent psychologist dedicated to the women health and mental hygiene, will explain in detail the physical and mental changes and effects of a woman in her growing age..
